I really like
 the fainted

 Getto's haha
 it's so good

debusen ch.73

- the Array of Chopping -

- 5 × chop (all except for Higuma)
- 2 × slump (Koyama and Getto)
- 1 × smash (Higuma)
- 1 × thud (Kiryuu)
- 1 × fall (Kamiya)
- 1 × drop (Tatenō)
- 1 × drag drag (Higuma)

Thanks for
 reading, read
 Shibatora!

but Higuma's
 look kinda...
 sad? It's a look
 that makes me
 feel bad,
 probably
 because his
 mouth wasn't
 drawn in.

His faces in
 the previous
 two frames
 are great.
